the Burman, are such as afford every opportunity for a pushing, thrifty, frugal, industrious race to outrun them in the race for life; not only indeed to outruit them, but even to oust them from every kind of employ and leave them to starve. This race is at hand and is rapidly overrunning the Malaysian Peninsula. The Chinese are emigrating westward by thousands weekly; the first port they reach is Singapore, and numbers of them stay here; others going. Corps will take place this evening at the Theatre to Malacca, Penang, Burmah and India. On account of the great struggle for life that, owing to the suormous population, exists in China, the Oclestial is particularly well adapted by his early training to cope with the effeminate Malay, Burman and Indian, and to succeed in defeating any or all of thom. That this is true as regards the Malay is evident from the fact that in the Straits Settlements he is only employed as a syce, a gardener, or a policeman; he does a little fishing, but even in this branch of industry the Chinaman is shead of bim." Afof the Malays, the writer arrives at the conclusion that it is positively certain a Chinese to the Peninsula must necessarily keng to Singapore in four and a half days. She left Hongkong at noon on the 1st, and arrived have a great influence on the character of in Singapore on the evening of the 5th instant, the population, it is difficult to define what leaving again for Europe the following afterits extent will be, and it is extremely bold to predict the total extinction of a whole race. and that a race such as the Malays, which, although ordinarily indolent, has a large reserve fund of energy. The Achinese. a Mitchell-Linnes at the Police Court, and he was, branch of the race, have offered a stubborn resistance to the Dutch for years past and bangle has not yet been found. have proved themselves very difficult to subdue by force of arms. The force of the pecting as a mineralogist for the Government of the countries whose nationals enjoy French the learned Lord Justice. he got the money or took the property, and as found to relieve it. long as he retained the property in-his hands even after foreclosure the mortgagor was frequently permitted to redoom. According to modern cases, however, and I think perhaps this is in a great degree owing to the introduction of Powers of Sale into! mortgages, it has been Rangoon Gazette :recognized more and more that the mortgagee has a right to call in his money as soon as heis entitled to under his mortgage, that he is not bound to enter into possession of the rents and profits are insisting on the evacuation of Egypt by the on behalf of another, that even if he does he British forces, the Temps argues that the deshould not be subject to a perpetual account nor mand is idle, until the Great Powers have settled beconverted into aperpetual bailiff, but that after in what manner the British are to be replaced a fair and reasonable time given to the mort- as it is certain that Egypt alone is incapable of gager to discharge the debt, if the mortgager maintaining order and preserving European inwishes to do so and can show that he is making terests in that country. arrangements for the purpose, he should in default be foreclosed his right of redemption. Then Mesers. Sassoon and Chater have, since the order for foreclosure absolute, entered into the the final order they have divided between them | Bulgaria; the rents received instead of retaining the 6 per cant, interest allowed on the mortgage; it seems to me that it would be unjust to them under the circumstances to call upon them to refund. Mr. Chater and Mr. Sassoon have altered the state of accounts between them. Mr. Chater increasing his debt to Mr. Sassoon while Mr. Sassoon has own benefit to pull down the European houses Russian occupation of Bulgaria. on the Praya and to build Chinese shops and houses instead, and have also, for their own babusiness. I have no evidence as to that, out the consequences. The outer name the Russians of his facest work on the Chiques oldered. The assuming it to be so, even family arrangements in reply, has requested him to name the Russians Li Ki.—as a present to the library. Col. Denby be regarded strictly. How then am I to interfere justly audequitably with the rights acquired by Messrs. Mody and M. E. Bassoon, and the arrangements made with regard to the property of their own benefit, and of which I should have to deprive them or the lessees, for with regard to the lessees, even if I could hold that in the event of the plaintiffs redeeming, the lease was Mesers. Sassoon and Chater have entered upon fumigated. this property and dealt with it as their own, and I have found that the creditors did not come in and endeavour to protect their interests within a reasonable time. Even, therefore, if the mortgagor had greater claims to the consideration of the Court upon equitable grounds than I have considered. I think the remarks of Vice Chanosllor Rolfe, afterwards Lord Cranworth, in the case of Thornhill v. Manning referred to by river. Sir George Jessel in Campbell v. Holyland as the highest authority Sim. N. S. p. 454 apply. "It is quite impossible to lay down any general rule as to the circumstances which will induce the Court to open a decree of and say: "I am now ready to pay you the prin- which they found had been burned. cipal, interest, and costs." The Court could not endoavoured to point out as it seems to me all peace. the equitable principles were against it, and as I do not consider that this case comes in any way within the principles upon which the order absolute for foreclosure was opened in the case Campbell v. Holyland, the case relied on on the
